The sweeping JIVE luminaire embodies modern lightness. Stylish and modern designed, the ceiling light fits into different interior styles. By means of remote control the night light function as well as the light intensity and light colour can be adjusted continuously. Thanks to the design in matt black, the luminaire looks timelessly chic in almost all interiors and offers stylish elegance. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.
