

Ceiling lamp

CAMILLUS – R62931001

incl. 1x SMD, 9W · 1x 1000lm, 3000K

- **Dimmable via switch**
- **Not suitable for external dimmer**
- **Wall- & ceiling mounting**
- **IP44**

The CAMILLUS ceiling light can set the perfect scene in your living area, as the luminaire impresses with a mix of modernity and straight lines. The timeless look and flat design open up numerous application and design options. In addition to placement in the hallway or living room, the CAMILLUS is also ideal for installation in the bathroom thanks to its IP44 protection rating. The integrated SWITCH dimmer can also be used to select three different brightness levels using a conventional light switch. By graduating the light intensity from 100% to 50% and 25%, the luminaire can be adapted to different requirements. The light has a size of 17x17cm and a height of only 3cm. The wall and ceiling light is designed in a simple white and can be stylishly integrated into existing living and colour concepts. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

Plastic · White
Acryl · White

Product dimensions

Width: 17cm
Height: 3cm
Depth: 17cm
Weight: 0,4kg
