

BZS labeling system - attachment

Cable duct holder

Terminal socket with spacer block

Terminal socket with indicator

PRODUCT INFORMATION

The BZS labeling system can be tailored to any labeling requirement, offering horizontal or vertical markings in control cabinets, labeling outside or inside control cabinets, any length of label carriers and any number of label plates.

The BZS 09 and BZS 15 do not feature an adhesive film, they are clamped to the cable duct holder, the spacer block or the indicator,

depending on the mounting type requested.

The terminal bases attached to the top-hat rail, C-rail or cable ducts can be spaced with distance plates to maintain certain distances.

The mounting modules listed here are suitable for the BZS labeling system and label holders only.

SPECIFICATIONS

Polyamide (PA)

-40 – 80 °F
